

Map 4 Draft Renewable Energy Strategy
Wind Speed and Transmission Grid

- Legend:**
- 110kV network
 - 220kV network
 - 110kV line operating as a 38kV line
 - Existing overhead line to be removed
 - New overhead line
 - New underground cables
 - Kilpaddoge - Moneypoint 220kV cable
 - Proposed Knockanure 220kV substation
 - Proposed Kilpaddoge 220kV substation
 - Existing 110kV substations
 - Existing 220kV & 110kV substation
