MEMORANDUM

DATE: 7th October 2008
TO: Mr. Paul Cremin A/S.E.E., Water Services (Capital Unit)
FROM: Mr. Paul Stack, S.E., Planning Department
RE: Scart Reservoir

Further to documentation received in relation to the above, I have now checked the drawings and inspected the site of the proposed development along with identifying any designations or restrictions associated with the site in question or the development proposed and it is my opinion that the proposal does not require an EIS to be prepared as it will not have a significant affect on the Environment.

I also recommend that Kerry Airport be notified of the proposed development in accordance with Section 179 (2) of the Planning & Development Act and Article 82 of the Planning & Development Regulations 2001 and Article 18 of the Planning & Development Regulations 2006.

Yours sincerely

Paul Stack,
S.E. Planning
