

Workshop 1 : Shooting Video On Your DSLR Camera

Saturday 1st & Sunday 2nd March

10am -4pm both days

Cost: €245

(Book both workshops together for reduced rate - see below)

Civic Trust House, 50 Pope's Quay, Cork.

This 2-day workshop is for anyone who wants to unlock the amazing video potential on their DSLR Camera or upgrade their skills as a DSLR shooter.

The workshop is very intensive, practical and hands-on, with the two days being spent shooting actual footage. The course is driven by practical exercises and so course numbers are deliberately kept small.

Topics covered include:

White balance, exposure, focus, shutter speed, ISO as they pertain to shooting video.

Sound recording – tips, methods and equipment for getting clean sound. Knowing when it matters and when it's ok if it's not clean. Using and recording atmos sound.

Shooting for the edit – eyelines, crossing the line, coverage, cutaways, non-sync wide shots, one camera shooting technique - all demonstrated through practical exercises in class.

Use of tripods, shoulder mounts, sliders and other stabilisers – when and why they matter.
