

Do you have **Hazardous** **Waste** in your home?

'Yes' is the most probable answer to that question.

Many household items that are in every day use are hazardous and left over product and packaging should be disposed of properly and NEVER placed in your wheelie bin.

Change your habits and look for alternatives to hazardous materials that will be less damaging to the environment?

Pick up a free copy of our new Householders Guide to

Hazardous Waste Prevention

available at all Civic Amenity Sites and Local Authority offices.

Dispose of hazardous waste carefully at your local Civic Amenity Centre, log onto

www.managewaste.ie for a full list of acceptance procedures, opening times and charges.
