(b) Notices of Motion

- 1. Cllr. F. Fitzgerald:** The sewerage scheme at Brosna currently discharges into the Clydagh River and is operating at full capacity for some years now. Can the relevant authorities be asked to check the ability of the sewerage scheme to handle its workload and the effectiveness of this?
- 2. Cllr. B. Fitzgerald:** That Kerry County Council adopts a 'Cut Less, Cut Later' policy in relation to road verges so that wild flowers are allowed to flower for pollination to occur.

(c) Questions

- 1. Cllr. B. Fitzgerald:** What are Irish Water's plans in relation to a sewerage scheme in Cloghane and when can we hope for this to begin?

4. Housing

(a) To note update report from Housing Directorate.

(b) Notices of Motion

- 1. Cllr. J. Healy-Rae:** That the shed at An Caisléan Mór Castleisland finally be moved. This location has been the subject of anti-social behaviour that has been ongoing for some time.
- 2. Cllr. J. Healy-Rae:** That this MD area would formally set dates for information evenings in both Castleisland and Dingle in relation to informing the public what is available to them in relation to Vacant Properties and that officials from the Planning Department would be in attendance.

(c) Questions

None.

5. Roads, Transportation & Marine Directorate

(a) To note update report from Roads, Transportation & Marine Directorate

(b) Notices of Motion

1. **Cllr. B. O'Connell:** That Kerry County Council immediately improves the footpath at Market Cross as it is a "trip and slip" hazard.
2. **Cllr. B. O'Connell:** That Kerry County Council repairs the footpath and fencing at Lakeview, Currow without further delay.
3. **Cllr. M. O'Shea:** To ask Kerry County Council to assist with the LIS application by [Details with Directorate] as this road is in a desperate condition and is being used by Irish Water on a frequent basis and I ask that this road gets priority on the list to be reconstructed in 2020.
4. **Cllr. M. O'Shea:** To ask Kerry County Council to construct the demolished wall at the Church Car Park, Boolteens, Keel, Castlemaine.
5. **Cllr. M. O'Shea:** To ask Kerry County Council to take over a section of the Bawn Óg Road, Lispole (L12107) as this road is split – half owned by Kerry County Council and half privately owned.
6. **Cllr. M. O'Shea:** To ask Kerry County Council to take immediate steps to address the flooding issues that affect Siopa BÁCus, Cloghane, Brandon.
7. **Cllr. C. Farrelly:** I would like to get an update from Kerry County Council about the Public Footpath that was proposed between Farranfore Village and the Farranfore Medical Centre by outgoing County Councillors.
8. **Cllr. C. Farrelly:** I am calling on Kerry County Council to introduce a speed limit sign adjacent to the monument at Castlevew on the Cordal/Castleisland road. This is to reduce the speed of traffic approaching the busy junction to the three schools in College Road, the entrance to the Rugby Club and the entrance to An Ríocht Athletic Club. This has become a serious health and safety issue.
9. **Cllr. C. Farrelly:** I am calling on Kerry County Council to create a number of lay-bys on the Lisheen Cross to Lyreacorrin cross in Gneeveguilla as there have been several incidents of cars leaving the road on this 1.5 KM stretch of road.
10. **Cllr. F. Fitzgerald:** Could Kerry County Council look at the issue of parking space at Knocknagoshel Graveyard. Space is very tight

when a funeral is ongoing. The problem is especially exacerbated if agricultural work is ongoing at the same time.

11. **Cllr. F. Fitzgerald:** Could Kerry County Council consider returning to private ownership the eastern end of the L-6555-11 at Knockeens, West Cross. This small piece of road is now only used by one household and allowing them a private entrance would greatly improve security and safety.
12. **Cllr. F. Fitzgerald:** Can warning signs for speed be erected at either side of the new GAA pitch in Ballymacelligott on the L-6544-10.
13. **Cllr. F. Fitzgerald:** Could Kerry County Council consider increasing the amount of car parking available in Castleisland Town or give increased support to businesses providing car parking for the town. Footfall in the town greatly depends on easy car parking accessibility.
14. **Cllr. J. H. Rae:** That the rising spring outside **[Details with Directorate]** be properly investigated. This water isn't coming from the adjacent land. It is rising on the road and in frosty cold weather the road is impassable and extremely dangerous.
15. **Cllr. J. Healy-Rae:** That remedial works be undertaken outside Knockanes Graveyard, Knocknagoshel. There is a lot of scrub that can be cleared outside the Graveyard to make more room for parking. Also, that the road from the football field to the Graveyard be skirted as tight to the ditch as possible.
16. **Cllr. J. Healy-Rae:** That the wall in front of 2 houses in Cois hAbhainn Estate, Brosna, the houses at the front along the road, the wall is falling out and if not repaired will cause damage and could hurt someone. I ask that this matter be seen to immediately in the new year.

(c) Questions

2. **Cllr. M. O'Shea:** To ask Kerry County Council and the TII to carry out immediate works at Annascaul village; i.e. road repairs.
3. **Cllr. M. O'Shea:** To ask TII what is the up to date position with the provision of the footpath between Tinahalla and Steelroe, Killorglin?

9. **Cllr. B. Fitzgerald:** What are the plans for the completion of the footpath to the new Kerry County Council Area Office in Dingle and public lighting to be in place along the existing footpath?
10. **Cllr. B. Fitzgerald:** Has Kerry County Council any plans to provide a sheltered bus stop in Dingle?
11. **Cllr. B. Fitzgerald:** Has Kerry County Council conducted an accessibility audit on bus stops within the Municipal District?
12. **Cllr. J. Healy-Rae:** Can drainage works be carried out at Kilquane, Cordal at the earliest opportunity?
13. **Cllr. J. Healy-Rae:** Will this MD now form its own Roads Programme going forward, and if so, when?
14. **Cllr. J. Healy-Rae:** That the humpback bridge halfway between the Post Office and Dromawaddra Road in Lyreacrompane be placed on a list for urgent remedial works in 2020, as the whole underneath of the bridge is eroding.
