1. Background

A funding arrangement is in place between Fáilte Ireland and Local Authorities to drive the implementation of tourism focused festivals and participative events. This funding arrangement replaces Fáilte Ireland's Regional Festivals and Participative Events Programme. Kerry County Council will be administering this funding programme for festivals and events in County Kerry.

2. What is the Festivals and Participative Events Programme?

This Programme is aimed at supporting festivals and participative events which drive domestic tourism and help to improve the visitor experience by animating destinations in Ireland. A fund of **€18,813** has been allocated by Fáilte Ireland to support festivals and participative events in Kerry in 2021 to achieve these aims.

Grants awarded in 2021 will be subject to available funding and the amount of applications approved.

3. What are the Qualifying Conditions and Minimum Eligibility Thresholds?

To be considered for funding, applicants need to demonstrate the following:

- **The project has a minimum expenditure of €5,000.**
- Festivals or events must generate a minimum of **100** visitor or tourist bed nights in paid accommodation.
- In the absence of valid accommodation surveys or audience surveys, the tourism impact may be estimated by Kerry County Council.

There is no guarantee of funding for applications which achieve the minimum eligibility requirements. The fund is limited and all eligible applications will be evaluated on a competitive basis against the criteria set out.

4. What must successful applicants do well?

- Help to build memorable visitor experiences in the locality, by adding vibrancy and colour to the area.
- The proposed festival/event programme will be comprehensive and professionally designed and motivating for the visitor.
- A clear business plan has been prepared to include a full income and expenditure budget for the event.
- A comprehensive marketing and promotions plan.
- Where possible use digital technology to widen reach and impact.
- The profile of the organizers is appropriate to manage the caliber of the proposed event.
- Organizers of festivals/participative events awarded funding must be available to brief Kerry County Council Tourism staff in advance about the event.

5. Who is the Programme aimed at?

The Festival and Participative Events Programme is aimed at festivals and participative events that fit into one of the following categories:

- General festivals (i.e. literary, historic, traditional, culture or family focused)
- Arts, Music and Theatre
- Food and Drink
- Sports and Outdoors
- Business and Education
- Other

The following categories of festival and participative events are ineligible for this programme, due to their limited tourist appeal:

- Purely commercial events with limited tourism appeal
- Agricultural shows and countryside fairs with limited tourism appeal
- Spectator-based sporting events
- Circuses and carnivals
- Christmas fairs and markets

6. What are the Evaluation Criteria?

Applications that meet the Festivals and Participative Programme's qualifying conditions will be assessed under four evaluation criteria:

(a) Experience Brand Fit:

As a result of significant market research Fáilte Ireland has determined that in a very competitive market place, Ireland can best achieve a higher profile and growth by putting tourism propositions of scale in front of potential visitors. This approach consisting of three key geographically based areas has been adopted to present Ireland to overseas tourists. The Experience Brands are Dublin, Ireland's Ancient East and Wild Atlantic Way. As Kerry is located on the Wild Atlantic Way, the synergy between the festival/participative event and the host area's tourism strengths will be evaluated. Does the festival/participative event build memorable visitor experiences and does it respond to the visitor need?

Wild Atlantic Way: Ireland's first long-distance touring route, stretching along the Atlantic coast from Donegal to West Cork. The overall aim of the project is to develop a route that will achieve greater visibility for the west coast of Ireland in overseas tourist markets.

(b) Link to The County Kerry Tourism Strategy & Action Plan 2016-2022:

The County Kerry Tourism Strategy and Action Plan 2016-2022 aims to maximize in a sustainable manner, tourism's contribution to the quality of life, economy, employment and local community development, paying particular attention to nurturing and protecting the natural, built, cultural and linguistic heritage of the county. It sets out the priorities and investment plans for the county over the period 2016 to 2022. Whilst the Strategy was developed by the Tourism Unit and adopted by Kerry County Council, it has involved extensive engagement with tourism providers and business interests in Kerry, community groups, the state sector, Fáilte Ireland and the local government sector. Events and festivals are an extremely important part of Kerry tourism and are an integral part of what we have to offer as a destination whilst affording an opportunity for local communities to attract increased visitors and revenue. They provide opportunities to showcase culture, people and places thereby greatly improving the visitor experience of Ireland. Fifteen key actions for festivals have been

included and applicants should be cognisant of these when planning a festival or participative event.

See <http://www.kerrycoco.ie/tourism/> to view an online version of the County Kerry Tourism Strategy & Action Plan 2016-2022.

(c) Tourism Impact

This is the festival/participative event's ability to entertain tourists and grow visitor numbers to the host area by extending the season and dispersing tourists outside of the core location (where possible).

(d) Marketing (including Digital Marketing):

How is the festival/participative event going to be marketed to generate interest for the event, and possibly sold to tourists? We will also evaluate how the festival/participative event will be presented online and utilise digital marketing channels to generate interest amongst tourists and how the festival/participative event creates, and shares motivating digital content and builds digital communities.

(e) Delivery Team:

The experience and ability of the organizers will be evaluated to ensure the event is effectively managed and delivered. The festival/participative event's financial sustainability will also be reviewed.
