*Fellow Councillors, Manager, Officials, members of the Press, it is a real privilege and an honour to become the Cathaoirleach of the Killarney Municipal District and in*

*such a splendid settling here in Killarney House, and I thank my colleagues for their support today.*

*I also want to take this opportunity to welcome our new Councillor, John O'Donoghue to his first in person Municipal District meeting and to wish him all the very best in the coming years and look forward to working with him. John is following in the footsteps of a great representative, former Councillor, Michael Gleeson and I wish Michael and his wife (name withheld for data protection purposes. A paper copy of unedited Minutes available on request) a long, happy and healthy retirement.*

*I would like to pay tribute to the outgoing Cathaoirleach, Cllr. Brendan Cronin, who has been a fine Chairperson and Mayor of Killarney over the past year. Brendan brought his experience, his efficiency and his passion to the role. I think Brendan drew the short straw as it was unfortunate that Brendan was Cathaoirleach during a time when the normal activities and events should be happening, but a lot was cancelled due to the pandemic, however he didn't let this daunt him. He showed leadership and dedication in supporting the efforts to limit the spread of the coronavirus in our Municipal District all year and to promote the product that is Killarney and I congratulate him on a successful year in the Chair.*

*This is one of the biggest honours of my life and to become the first woman to be Cathaoirleach of the Killarney Municipal District since it came into being in 2014 is the cherry on the cake. I look forward to being a Cathaoirleach for all of the Municipal District, urban and rural.*

*At the heart of the Municipal District, of course, is the wonderful town of Killarney and like any town in Ireland at the moment, it faces challenges in recovering from the enormous impact of the coronavirus pandemic. Businesses have been closed, communities have been impacted, people have lost their jobs and worst of all, we have lost so many people to this dreadful disease, so it is inevitable that it will take time to recover. Thankfully, now, there is some light on the horizon and with the rollout of the vaccine programme, we can look forward to better times ahead.*

*During the coming year, I hope to work with my colleagues on the many issues of concern to the residents of Killarney Municipal District, including infrastructure, access, parking, recreation, business, and the wider economic and community development that we are all so committed to.*

*I know that sometimes at our meetings, discussions can get heated and are sometimes protracted but that is because everyone here is so passionate about the Killarney Municipal District and the people we represent.*

*I look forward to working with the Municipal District team in the year ahead, our MD Manager, Angela McAllen, our MD Engineer, John Ahern, our MD Officer, Eileen O'Donoghue and all of the staff based at the Town Hall and across the Municipal District. There is an exceptionally talented and dedicated team who all have a common goal of improving the quality of life of everyone in our Municipal District and I look forward to supporting you all in your work.*

*I promise to work with colleagues in a fair and collaborative way in the coming year and I hope that we will all have a productive year ahead, I will do my best to be a good ambassador for Killarney, a good Cathaoirleach to the District and represent the its people to the best of my ability.*

*Finally, I want to thank my family for their continued support and encouragement. My wonderful husband, (name withheld for data protection purposes. A paper copy of unedited Minutes available on request) who has always been my rock, my son, (name withheld for data protection purposes. A paper copy of unedited Minutes available on request) and my daughter, (name withheld for data protection purposes. *Thank you.”*
