Grants for the Conservation of Protected Structures 2022

Kerry County Council will administer grants for the conservation of Protected Structures in 2022.

The objective of the scheme is to assist the owners of Protected (Listed) Structures to undertake works that are necessary to secure the conservation of the structure.

Qualifying works would among other things include:

- a) works necessary to secure the stability of a structure or part of a structure;
- b) works necessary to make a structure weather proof or damp proof;
- c) works necessary to conserve or repair external walls or internal features;
- d) works consisting of temporary repairs, where it is necessary to protect the structure from immediate risks.

Information Session for Intending Applicants will be held on:

4pm-5pm, Monday 10th January 2022, by Webinar.

Details of the scheme and application forms can be obtained by contacting Victoria McCarthy, Planning Department, Kerry

County Council, County Buildings, Tralee. Telephone: (066) 7183793.

Details are also available on the Kerry County Council internet site www.kerrycoco.ie.

The closing date for receipt of application forms is 5pm Friday 28th January 2022.
