## ***Welcome***

Wills Bros Ltd have been awarded the Listowel Bypass – Main Works Contract. Kerry County Council awarded the scheme to Wills Bros Ltd and works commenced in February 2022. Kerry County Council are being represented on site by Jacobs Engineering Ireland who are the designers for the scheme. Wills Bros Ltd are the Contractor who will be constructing the Scheme.

The purpose of this newsletter is to provide the people of the Listowel area and those most effected by the works with an information update on the progress of the works associated with the implementation of the new Listowel Bypass. The works comprises approximately 7 km of single carriageway road. Approximately 2 km of the Works involves an upgrade to the existing John B. Keane Road which also includes the additional provision of shared cycle and pedestrian facilities.

## **First Phase of online Works John B Keane Road and Ballybunion Road - July to December 2022**

Works on John B Keane road and Ballybunion are the first section of online road works due to commence at the end of July 2022. The following is a brief description of the traffic arrangements that will be in place during the planned works period between July and December 2022. Further updated will be provided for 2023 works period.

Wills Bros Ltd would like to take this opportunity to apologise in advance for any inconvenience these works may cause during the construction period. We will make every effort to minimise any such inconveniences.

## ***Brief Outline of Planned Online Works July to December 2022.***

### ***Phase 1 July - September***

#### **John B Keane Road, McKenna's Hardware to the Cinema.**

Works will commence on the John B Keane road in late July.

Works will start on the north lane including the margin. During these works there will be one way traffic flowing from east to west (from Clieveragh Rd Roundabout to McKenna's Junction). Traffic coming from Ballybunion (R553) heading into Listowel can't turn onto John B Keane Rd.

Works will then switch to the southern side of this same section of road. During these works there will be one way traffic flowing from east to west (from Clieveragh Rd Roundabout to McKennas Junction). Traffic coming from Ballybunion (R553) heading into Listowel can't turn onto John B Keane Rd.

Works will be complete on this section and the road will be reopened to two-way traffic for the Listowel Races in September 2022.

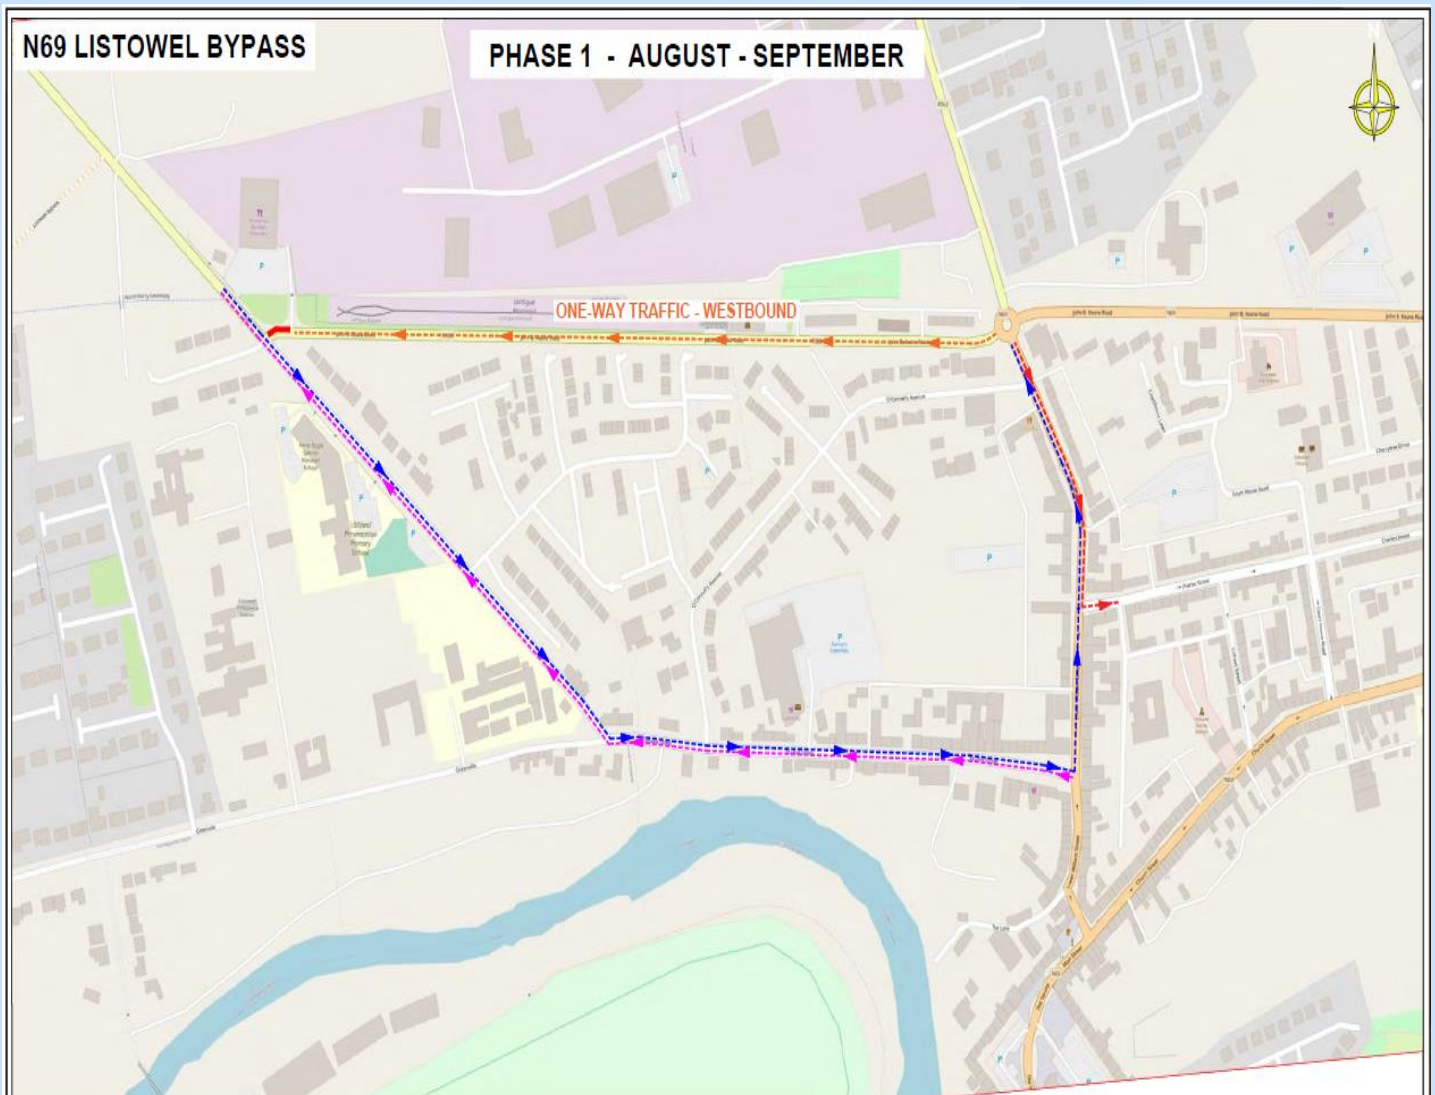

#### **Traffic Restrictions.**

One way Traffic flow from Clievragh Road Roundabout to Ballybunion road. Diversion route for traffic in place.

## ***Phase 2 September - December***

### **Ballybunion Road Beyond Graveyard to McKenna's Junction, including the Junction.**

Works will commence on the Ballybunion Road after the Listowel races in September.

Works will start on the East lane including the margin. During these works there will be one way traffic flowing through the works area on the Ballybunion road.

Works will then move to the junction between the John B Keane Road and the Ballybunion Rd. At this time Market street will be reduced to one way traffic. Traffic will be able to travel into Listowel only. To complete the final surfacing at this busy junction a short road closure on the John B Keane Road and Market street will be required. Closures will happen separately.

Works will then switch to completing the remainder of the Ballybunion road including the new Roundabout 3 which will involve one way traffic on the Ballybunion Road.

#### **Traffic Restrictions.**

Single line traffic from 26<sup>th</sup> September to December 1<sup>st</sup>, 2022, on Ballybunion Road between Mc Kenna's Junction and west of New roundabout location. Restricted access from Market St. Traffic flow into town maintained.

Short Closure of John B Keane road/ Market street to occur within the period 23<sup>rd</sup> November to December 1<sup>st</sup>. Further advance notice to be provided.
